PATENT
HRL133

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicant: KEATON
Application No.: 10/730,789
Filed: 12/08/2003

For: METHOD AND APPARATUS FOR GENERATING THREE-
DIMENSIONAL MODELS FROM UNCALIBRATED VIEWS

PETITION UNDER 37 CFR 1.47

This petition is being made under 37 CFR 1.47(a). Inventor Amit K. Roy Chowdhury cannot be found or reached for signatures after diligent effort.

The following steps were taken to locate Mr. Chowdhury for signatures.

- 1.) First, we contacted Patricia Keaton, Mr. Chowdhury's co-inventor on the present application, by telephone. Ms. Keaton was not able to provide us with Mr. Chowdhury's current address information.
- 2.) On July 1, 2003, we contacted Mr. Chowdhury's last known place of employment, HRL Laboratories, LLC. From this source we received an address for Mr. Chowdhury [please see attached e-mail print outs #1 & #2.]
- 3.) Subsequently, using the address received for Mr. Chowdhury, on July 07, 2003, we sent a certified mail request for his signature. This correspondence was returned to us with information that the address is no longer valid and that the forwarding order has expired. No forwarding address was provided. [please see attached copies of USPS documents #3 & #4].

4.) Next, we searched the internet for more up to date contact information for Mr. Chowdhury. As a result of the search we obtained two e-mail addresses for individuals named Amit Chowdhury. We sent inquireres to those addresses, however, one Mr. Amit Chowdhury turned out to not be the person we were looking for and the second address came up invalid. [please see attached e-mail print outs #5 & #6].

The last know address for Mr. Amit K. Roy Chowdhury is 6600 Belcrest Road, Apt. M, Hyattsville, MD 20782.

Remaining Applicant respectfully requests that this patent application be processed despite the unavailability of Amit K. Roy Chowdhury. We will continue our efforts to locate the unavailable inventor and if we succeed in finding him we will immediately forward his signed Declaration papers.

Respectfully submitted,

All I can tell you is that he was a vendor at HRL in 1999. Sheryl Wells might be able to provide an old address. She'll look him up tomorrow (7/2) and let you know whatever she has.
